Christmas Program

"THE JOYOUS NEWS OF CHRISTMAS"

"And there were in the same country shepherds abiding in the field, keeping watch over their flock by night. And lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid. And the angel said unto them. Fear not: for behold I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Savior, which is Christ the Lord. And this shall be a sign unto you, ye shall find the babe wrapped in swaddling clothes lying in a manger." Luke 2: 8 - 12.

This year, Bible Baptist Church will be having their Christmas Program on Sunday night, December 18, at 7:30 p.m. The young people of our church will be presenting a Cantata, "The Joyous News of Christmas," narrated and directed by Mrs. Cindy Thomas. Serious Crimes Drop First Nine Months 1977

Serious crimes reported to law enforcement agencies dropped six percent during the first nine months of 1977, as compared to the same period of 1976, Attorney General Griffin B. Bell announced today.

The decline was revealed in the Uniform Crime Reports released today by Clarence M. Kelley, Director of the Federal Bureau of Investigation.

"Most reassuring is the fact that for four consecutive quarters, beginning with the last quarter in 1976, a decrease in the number of Index offenses has been reported," Mr. Bell said. "Law enforcement's efforts are showing results, and these results are welcome news to everyone."

The number of violent Index crimes of murder, forcible rape, robbery, and aggravated assault, as a group, decreased by one percent. The number of property crimes -- burglary, larceny - theft, and motor vehicle theft -- fell seven percent.

Two Index crimes showed increases. Forcible rape was up eight percent, and aggravated assault rose three percent.

Mr. Kelley called on law enforcement to intensify its struggle against crime.

"We must be resolute in our investigation of crime and imaginative in devising innovative and more successful methods for coping with the crime problem," he said.

Reported serious crime dropped seven percent in cities with more than 25,000 inhabitants. The suburban areas recorded a five-percent decline, and the rural areas showed a decrease of three percent.

Decreases in serious crime were reported by all geographic regions. The North Central States had the largest decline, nine percent; the Northeastern States followed with eight percent; the Southern States, four percent; and the Western States, three percent.

Uniform Crime Reports are collected periodically by the FBI from law enforcement agencies across the Nation. Statistics are gathered on seven Index offenses: murder, forcible rape, robbery, aggravated assault, burglary, larceny - theft, and motor vehicle theft.

Virginia Law Course To Be Taught At CVCC

The Adult Education Office at Central Virginia Community College will offer a course entitled, "Laymen and the Law," in the winter quarter of 1978. The course will concentrate on law that everyone should know, and will be taught on a credit-free basis.

The class will be taught on Monday nights, beginning January 2, 1978, from 7:00 to 9:30 p.m. and will continue through March 6. Classes will be conducted in room 203A on the campus at CVCC. The cost of the course will be $25.00.

Facilitator of the class will be Lynchburg Attorney Gregory W. Smith. Attorney Smith is a native of Amherst County and a graduate of Washington and Lee University School of Law. He has been a practicing attorney in Amherst County since June of 1976.

The object of the class is to clarify and eliminate the myths, misinformation and misconceptions which abound among those who are not related to the legal profession. The class will give all interested citizens an opportunity to gain a basic understanding of the areas of Virginia law which are most likely to affect them.

Included in topics to be covered are contracts, personal injury, family law, wills, real estate laws, taxes and motor vehicle laws.

For registration and/or further information, contact the Office of Continuing Education at Central Virginia Community College, 239-0321.
